If you enjoyed the film, please donate to my race program. I am spending my last dollars to attend WERA West July 27-28th at Miller Motorsport Park, Utah. This National race weekend is important for comparing my lap times to the AMA Pro SBK grid who race the next weekend. I had planned to race AMA Pro at Miller, but financial difficulties have removed that option.

I will enter A SBK Expert, Open SS Expert, Hwy SBK Expert, and the Formula One class with my BMW S1000RR. Please donate some rubber for the races.

Purchasing AMSOIL Factory Direct also supports my race effort. Call 1-800-777-7094 and use referral Marcel Irnie zo#1498525. Ask to become a preferred customer for 35% off retail prices. Call me direct with any AMSOIL or Sponsorship questions at 250.869.2515.

Irnie Racing is actively seeking a title sponsor for the 2014 Superbike Championship. Where should we go racing?

If you are interested in purchasing a DRIFT Ghost helmet camera online, use promo code "irnieracing" for \$100 in free accessories. I recommend the external mic for the helmet.
